*The Rose & Shamrock is pleased to offer Low Gluten and Gluten Free options, however we are **not** a gluten free restaurant and cannot 100% guarantee that cross contamination will never occur, even though we make every effort to minimise the risk, should you have any serious concerns please talk to us.*

Please note all items cooked in our deep fryers are cooked in animal fat and are cooked with meat and other products coated in breadcrumbs. If you have a severe allergy or are a strict vegetarian please be aware that anything cooked in our fryers cannot be guaranteed to be gluten or meat free.

All of our main meals are served with your choice of chips & salad or today's fresh vegetables. For our gluten free and vegan customers please be aware that our vegetables are served with a white sauce, please state when ordering that you wish to have no white sauce.

We almost always have steamed new potatoes available, which can be requested when ordering. Please specify when ordering that you require a gluten free, vegetarian or vegan meal.

Where possible we try to offer blackboard specials that are Gluten free, Vegetarian or Vegan. Please see for today's chefs specials.
